### **COMMON INSTRUCTIONS TO BE FOLLOWED BY PARENTS:**

**The school has expectation from parent's locality. Without co-operation of the parents, good education cannot be achieved by a child. Each child deserves emotional & mental support from his/her parent. So, it is well said that a family is the first school of a child. No doubt, parents bear a great responsibility to pay attention to their kids. Keeping in view the significant image of their versatility, they are expected to maintain the following suggestions in favour of the healthy environment of the school.**

**1. Parents are expected to visit the school only during scheduled visiting hours as suggested by the school office.**

**2. Parents should inform the school about their proper address and telephone numbers if any charge occurs.**

**pdf of prospectus**

**3. Parents should avoid criticism of the school and teachers in presence of the student which may cause confusion and dis regard inside the child.**

**4. Parents should try to attend the guardian's meeting whenever it is arranged by the school.**

**5. For normal enquiry parents should consult the UDC or LDC, not the principal directly during busy hours please ensure your arrival at the principal's chamber after taking formal permission.**

**6. Please persuade your ward to attend the school on time.**

**7. Whenever a child finds himself medically unfit yo attend the school, parents should not send him/her forcibly.**

**8. Parents are also expected to remain inconnection with the teachers**

and the principal for the proper verification of  
progress of their wards and  
discuss relevant problems.**

**9. Students should not be provided  
cell phone, pocket money, watch, ring  
or any precious material apart from  
study tools by the parents  
because carrying these things will be considered as a  
breach of school discipline.**

**10. Parents are expected to deposit  
school fees on time because the  
school has no any alternative source of income to meet  
its financial liabilities.**

**11. If any uncommon change in  
attitude is noticed by the parents for  
their children, they should share the same  
immediately with the  
authority to avoid unhappy consequences.**
